Zaslonsko sliko (screenshot) strani SEO -> Search Appearance

The image displays two screenshots of the Yoast SEO settings interface in a WordPress admin panel, specifically the 'Search Appearance' section for 'Pages'.

Top Screenshot: Schema Settings

- Schema:** Determine how your pages should be described by default in [your site's Schema.org markup](#). You can always change the settings for individual pages in the Yoast SEO sidebar or metabox.
- Page type:** Web Page (default)
- Article type:** Article
- Additional settings:**
 - Enable SEO controls and assessments:** Show or hide our tools and controls in the content editor. (Toggle is ON)
 - Add custom fields to page analysis:** You can add multiple custom fields and separate them by using enter or comma. [Read more about our custom field analysis.](#) (Unlock with Premium button)
- Buttons:** Save changes, Discard changes

Right Sidebar: Yoast WooCommerce SEO. Grow your store's visibility! Help ready-to-buy shoppers and search engines find your product. Features include: Add product details to help your listings stand out, Make sure search engines show the right version of your product page, Create optimized SEO titles & meta descriptions with AI, and Receive clear SEO and readability guidance to optimize your products. Includes a 'Buy now' button and a '30-day money back guarantee 24/7 support'.

Bottom Screenshot: Search Appearance Settings

- Pages:** Determine how your pages should look in search engines and on social media.
- Search appearance:** Determine what your pages should look like in the search results by default. You can always customize the settings for individual pages in the Yoast SEO sidebar or metabox.
- Show pages in search results:** Disabling this means that pages will not be indexed by search engines and will be excluded from XML sitemaps. [Read more about the search results settings.](#) (Toggle is ON)
- SEO title:** Insert variable. Variables: Title, Title Separator, Site title.
- Meta description:** Insert variable. Variables: Site title. Example text: 'Iščete vrhunsko kickbox opremo? Strike vam nudi vse od rokavic do ščitnikov za profesionalne borbe in začetrnike. Opremite se za zmago – preverite našo ponudbo!'
- Buttons:** Show less

Dodajanje ključnih besed stranem

The screenshot shows the WordPress admin interface for editing the 'About Us' page. The Yoast SEO sidebar is visible on the right, and the 'Focus keyphrase' field is highlighted with a red circle. The keyphrase is 'prodaja kickbox opreme Strike'.

Tracking activity!

The screenshot shows the WordPress admin interface for editing the 'About Us' page. The 'Search appearance' modal is open, displaying the page title 'About Us About Us - Strike', the slug 'about-us', and the meta description. The modal also shows the 'Generate SEO title' and 'Generate meta description' buttons.
